

FOR IMMEDIATE RELEASE

21 January 2009

GILBERT PROFILED IN 2009 WHO'S WHO PUBLICATIONS

HOUSTON, TEXAS. Marquis Who's Who, LLC will include the biography of Lexicon Systems, LLC President, CEO and Founder Jill Barson Gilbert, QEP in the 27th edition of *Marquis Who's Who of American Women* for the years 2008-2009. This updated edition of *Who's Who of American Women* provides ready access to the credentials and achievements of the most noteworthy women in the country.

To celebrate 50 years of publishing, the 2008-2009 edition will feature a special "then and now" tribute to 50 women who are pioneers in their field—25 from the first edition (1958) and 25 from today. Names include Margaret Chase Smith—first woman voted into the House of Representatives and US Senate (then) and her contemporary Speaker of the House Nancy Pelosi (now).

In addition, Marquis Who's Who, LLC will publish Gilbert's biography in the 26th Edition of *Who's Who in the World*, which profiles the most accomplished men and women in the world for 2009. With the massive push toward "globalization" in so many endeavors, Marquis recognizes the need to focus on leading citizens from around the world.

"I am honored to be in the company of some truly accomplished people," says Gilbert.

ABOUT LEXICON SYSTEMS, LLC

Lexicon Systems, LLC is a management consulting firm that develops results-oriented systems and solutions to fit the way clients do business. The firm's core services are Information Systems/Information Technology (IS/IT), Market Assessment and Business Advisory consulting.

The firm's consultants have a solid foundation of health, safety & environment (HSE), quality, operations management and engineering expertise through positions at software, management and consulting companies. This allows us to tackle complex challenges in a breadth of industries, leveraging technology to make companies more agile and responsive to global market conditions.

Lexicon is an independent, woman-owned firm with headquarters in Houston, TX that serves clients in the U.S. and globally. Clients include world-scale industrial and utility companies; software vendors; internet search engine marketing (SEM), search engine optimization (SEO) and Web design companies; as well as private equity investors and venture capital firms. Innovative • Experienced • Objective. Find us at lexicon-systems.com.
